

SIGLENT Chosen as R&D 100 Award Finalist

August 03, 2015

Siglent SDG5000 & Easy Pulse Technology has been selected by an independent judging panel and the editors of R&D Magazine as a finalist for a 2015 R&D 100 Award in the Analytical/Test category.

An R&D 100 Award recognizes the 100 most technologically significant products introduced in the past year. On behalf of the R&D staff, we would like to congratulate the project team on the design, development, testing and production of this remarkable product and the impact it is having in the field.

The winners of the 2015 R&D 100 Awards will be announced at our annual gala banquet to be held on Friday, November 13 at Caesars Palace in Las Vegas, Nevada.
