How to change the language with the SDG1000 series of generators

February 19, 2018

The SDG1000 Series provides 2 languages (English and Chinese) for the user interface.

Do the following steps to change the language on the user interface if it powers up in Chinese.

- 1. Press the Utility button on the front panel to enter the UTILITY function menu.
- 2. Press the 1/2 button to go to the second page of the UTILITY function menu.
- 3. Press the System button.
- 4. Press the Language button and select the language you prefer. (Toggles between English and Chinese)
